DETAILED ACTION

1. This communication is in response to Applicant's amendment filed on July 11, 2005.

Response to Applicant's Amendment

2. The reply filed on July 11, 2005 is not fully responsive to the prior Office action because of the following omission(s) or matter(s):

The remarks do not point out why newly added claims 152-164 are patentable in view of the prior art of record as required by 37 C.F.R. 1.111(b).

Since the above-mentioned reply appears to be *bona fide*, applicant is given a time period of **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. Extensions of this time period may be granted under 37 C.F.R. 1.136(a).

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Igor Borissov whose telephone number is (571) 272-6801.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John Hayes can be reached at (571) 272-6708.
